

UreaKnowHow.com Urea Training 25-29 June 2018 in Amsterdam Again a Very Valuable and Pleasant Event

From 25-29 June 2018, UreaKnowHow.com did held again its 5-Day Training Program for Urea Engineers, Managers and Shift Supervisors in Amsterdam. Some 30 engineers participated from all around the world: Austria, China, England, India, Indonesia, Iran, Lybia, Nigeria, Oman, Pakistan, Netherlands, Norway, Romania, Vietnam and the USA.

The training covered a wide range of topics from process, mechanical, operational, maintenance, thermodynamics, repair procedures, SHE, safety valves, CO₂ compressors, revamp options, corrosion inspection techniques etc and was very interactive and numerous questions were discussed.

New was the UreaKnowHow Sponsor Market on Thursday, which was a very lively event and valuable exchange between seven Sponsors of UreaKnowHow.com and the participants.

Present were [BADOTHERM](#), [CASALE](#), [KREBER](#), [PROTOMATION](#), [SOLEX](#), [STAMICARBON](#) and [TUBACEX](#).

Also part of the training was to learn some of the typical Dutch specialities like the Maatjes...

Our next open 5-Day Urea Training Engineers, Managers and Shift Supervisors is planned in 2020. But any time we can organise on of our urea training program at your site. Together with [AmmoniaKnowHow.com](#), we also organise ammonia and safety training programs.
