UreaKnowHow.com wishes You, Your Family, Your Colleagues and Your Friends

A Safe, Healthy and Wonderful 2023!

And thank You for All Your Support and Valuable Co-operation

Dear UreaKnowHow Friend!

We hope You had a Great 2022!

UreaKnowHow.com realized the following milestones in 2022:

- We welcomed [BAKERRISK](#), [NOBELCLAD](#) and [BALLESTRA](#) as our new Solution Providers.
- We intensified our cooperation with the [International Fertiliser Society](#), a great resource on agronomical knowledge
- We launched the [FERTILIZER ACADEMY Training Module Thermodynamics and Phase Diagrams in Urea Plants](#)
- We renewed our website [UreaKnowHow.com](#)
- And introduced a UreaKnowHow News APP in the [App Store](#) and [Google Play](#)

We thank you for all your support and valuable co-operation!

We wish You, Your Family, Your Colleagues and Friends a Safe, Healthy and Wonderful 2023!
